REMARKS

In the specification:

The paragraph beginning at page 1, line 2 has been deleted and a new paragraph has been inserted. The reason for deleting the original paragraph and adding a new paragraph is to add four priority claims to U.S. provisional applications under 35 USC §119 and 37 CFR §1.78(a)(4), which were inadvertently and unintentionally omitted when filing the application. The four provisional applications correspond to the following: 60/170262 Filed 12/9/99, 60/187202 Filed 3/3/00, 60/209832 Filed 6/5/00 and 60/232887 Filed 9/15/00.

Attached hereto is a marked-up version of the changes made to specification and is captioned "Version with markings to show changes made."

Applicants respectfully request the replacement of the first paragraph as originally filed on December 19, 2001 with new paragraph including the four additional provisional priority claims.

Respectfully submitted,

GENENTECH, INC.
